M/s Samvit Garage Equipments

<https://www.autoservindia.in/>

We would like to introduce ourselves as one of the leading manufacturer, trader, and suppliers of wheel alignment equipment like computerized wheel alignments, air compressor, post lift, etc. We offer products for automobile workshops & PUC centers.

About Us

The Company was established in the year 2013 and started its operations with Advertising products. Auto-Serv is one of the leading manufacturers, trader, and suppliers of Diagnostic Garage Equipments, Automobile Garage Equipments & Tools and Pollution Checking Equipment in India.

We have been associated with Automobile Industry for long and have the most experienced staff in the field of manufacturing and servicing of Garage & Emission Control Equipments. We offer a complete range of products for the upcoming Automobile workshop, up-gradation of existing Automobile Workshops and PUC Centres.

Our philosophy has been to produce equipment, which are simple, economical & can sustain the environmental conditions.
